See the Bylaws of Shadows at Swan Lake Homeowners Association Articles of Incorporation for operating procedures.

Subject to any specific requirements hereof, the Board shall have authority to establish operating rules and procedures. In the event of death or resignation of any member or members of the Board, the remaining

member or members, if any, shall have full authority to appoint a successor member or members. Members of the Board shall not be entitled to any compensation for services performed as Directors pursuant to this Declaration.

Section 4.3 Qualification for Membership.

Each owner of all or a portion of the fee interest in a Lot (including Declarant) shall be a member of the Association. The persons constituting an Owner shall be entitled to one vote for each Lot owned; provided, that if a Lot has been sold on contract, the contract purchaser shall exercise the rights of an Owner for purposes of the Association and this Declaration except as hereinafter limited, and shall be the voting representative unless otherwise specified. Section 4.4 Transfer of Membership.

The Association membership of each person constituting an Owner shall be appurtenant to the Lot giving rise to such membership, and, except as specifically permitted herein, shall not be assigned, transferred, pledged, hypothecated, conveyed, or alienated in any way except upon the transfer of title to the Lot and then only to the transferee of title to the Lot. Any attempt to make a prohibited transfer shall be void. Any transfer of title to a Lot shall operate automatically to transfer the membership in the Association to the persons constituting the new Owner.

Section 4.5 Number of Votes.

The total voting power of the Association at any given time shall equal the number of Lots included within the Property at that time. Each Owner of a Lot or Lots shall be entitled to one vote for each Lot owned.

If a Lot is owned by more than one person and only one of them is present or represented at a meeting, the one who is present or represented will represent the Owner. The vote for a Lot must be cast as a single vote, and fractional votes shall not be allowed. If joint owners are unable to agree among themselves how their vote shall be cast, they shall lose their right to vote on the matter in question. An Owner may, by written notice to the Board, designate a voting representative for the Lot. The designated voting representative need not be an Owner. The designation may be revoked at any time by written notice to the Board from a Person having an ownership interest in a Lot, or by actual notice to the Board of the death or judicially declared incompetence of any Person with an ownership interest in the Lot, except in cases in which the Person designated is a Mortgagee of the Lot. This power of designation and revocation may be exercised by the guardian of an Owner, the attorney-in-fact for the Owner under a durable power of attorney, and the administrator or executor of an Owner's estate. If no designation has been made, or if a designation has been revoked and no new designation has been made, the voting representative of each Lot shall be the group composed of all of its Owners.

Section 4.7 Pledged Votes.

An Owner may, but shall not be obligated to, pledge his vote on all issues or on certain specific issues to a Mortgagee; provided, however, that if an Owner is in default under a Mortgage on his Lot for 90 consecutive days or more, the Owner's Mortgagee shall automatically be authorized to declare at any time thereafter that the Owner has pledged his vote to the Mortgagee on all issues arising after such declaration

and during the continuance of the default. If the Board has been notified of any such pledge to a Mortgagee, only the vote of the Mortgagee will be recognized on the issues that are subject to the pledge.

Section 4.8 Annual and Special Meetings.

There shall be a meeting of the members of the Association and thereafter there shall be an annual meeting of the members of the Association each year at such reasonable place and time as may be designated by written notice from the Board delivered to the Owners no less than 30 days before the meeting. At the first such meeting, and at each annual meeting thereafter; the Owners shall elect by majority vote individuals to serve as Directors until a successor is elected at the next annual meeting. Each Lot shall be entitled to one vote for each Director and the voting for Directors shall be non-cumulative. The financial statement for the preceding fiscal year (if any) and the budget the Board has adopted for the pending fiscal year shall be presented at the annual meeting for the information of the members. Special meetings of the members of the Association may be called at any time upon not less than 14 days prior written notice to all Owners, for the purpose of considering matters which require the approval of all or some of the Owners, or for any other reasonable purpose. Any First Mortgagee of a Lot may attend or designate a representative to attend the meeting of the Association.

Section 4.9 Books and Recordings.

The Board shall cause to be kept complete, detailed, and accurate books and records of the receipts and expenditures (if any) of the Association, in a form that complies with generally accepted accounting principles. The books and records, authorizations for payment of expenditures, and all contracts, documents, papers, and other records of the Association shall be available for examination by the Lot Owners, Mortgagees, and the agents or attorneys of either of them, during normal business hours and at any other reasonable time or times.

Section 4.10 Transition Date.

The "Transition Date" shall be the date control at the Board passes from the initial Board to the Association. The Transition occurred in September 1996.

Article 6. Authority Of The Board.

Section 6.1 Adoption of Rules and Regulations.

The Board is empowered to adopt, amend, and revoke on behalf of the Association detailed administrative rules and regulations necessary or convenient from time to time to insure compliance with the general guidelines of this Declaration to promote the comfortable use and enjoyment of the Property and to govern the operation and procedures of the Association. The rules and resolutions may, without limitation, authorize voting by proxy or mail, or both, on Association matters. The rules and regulations of the Association shall be binding upon all Owners and occupants and all other Persons claiming any interest in the Property.

Section 6.2 Enforcement of Declaration, Etc.

The Board shall have the power to enforce the provisions of this Declaration, and the rules and regulations of the Association for the benefit of the Association, and to separately assess the Owner against whom this Declaration is being enforced. The failure of any Owner to comply with the provisions of this Declaration, or the rules and regulations of the Association will give rise to a cause of action in the Association (acting through the Board) and any aggrieved Lot Owner for recovery of damages, or injunctive relief, or both. If a legal action is brought to interpret or enforce compliance with the provisions of this Declaration, or the rules or regulations of the Association, the prevailing party shall be entitled to judgment against the other party for its reasonable expenses, court costs, and attorneys' fees in the amount awarded by the Court.

Article 7. Budget And Assessment For Common Expenses.

Section 7.1 Fiscal Year; Preparation of Budget.

The Board may adopt such fiscal year for the Association as it deems to be convenient. Unless another year is adopted, the fiscal year will be the calendar year. As soon as the Board in its discretion deems advisable and prior to the expiration of each fiscal year thereafter, the Board shall establish a budget for the costs of maintaining the Common Area during the ensuing fiscal year. The Board shall then assess each Lot within the Property with its pro rata share, based upon the number of Lots then within the Property, of such estimated costs. The Board, at its election, may require the Lot Owners to pay the amount assessed in equal monthly or quarterly installments or in a lump sum annual installment. The Board shall notify each Lot Owner in writing at least ten days in advance of each assessment period of the amount of the assessment for said period, which notice shall be accompanied by a copy of the budget upon which the assessment is based. The assessments levied by the Board shall be used exclusively to promote the recreation, health, safety and welfare of the Lot Owners and for the improvement and maintenance of the Common Areas.

Section 7.2 Certificate of Unpaid Assessments.

Any failure by the Board or the Association to make the budget and assessments hereunder before the expiration of any fiscal year for the ensuing fiscal year shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of the owners from the obligation to pay assessments during that or any subsequent year, and the assessment amount and payment method established for the preceding fiscal year (if any) shall continue until a new assessment is established. Upon the request of any Owner or Mortgagee or prospective Owner or prospective Mortgagee of a Lot, the Board will furnish a statement of the amount, if any, of unpaid assessments charged to the Lot. The statement shall be conclusive upon the Board and the Association as to the amount of such indebtedness on the date

of the statement in favor of all purchasers and Mortgagees of the Lot who rely on the statement in good faith. All assessments and other receipts received by the Association shall belong to the Association.

Section 7.3 Annual Assessments.

Commencing on the first January 1 following the Transition Date, and continuing each year thereafter, the annual assessment shall be limited to an increase as follows: * Annual Assessments between \$0- \$699: The maximum annual increase is 33% * Annual Assessments > \$700: The maximum annual increase is 15%

Increases above defined rates require the approval of a majority of the members voting at a meeting duly called for such purpose.

Section 7.4 Special Assessments; Capital Improvements.

In addition to the annual assessments authorized above, the Association may levy, in any Assessment year, 4 special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of the Improvements upon the Common Area or any other area owned. or required to be maintained by the Association, provided that such assessment shall be approved by a majority of the members voting at a meeting duly called for such purpose.

Article 8. Lien And Collection Of Assessments.

Section 8.1 Assessments Are a Lien; Priority.

All unpaid sums assessed by the Association specially assessed to any Lot under the authority of this Declaration shall constitute a lien on the Lot and all its appurtenances from the date the assessment becomes due and until fully paid. The lien for such unpaid assessments shall be subordinate to tax liens on the Lot in favor of any assessing unit and/or special district, and to all sums unpaid on all First Mortgages of record, but, to the extent permitted by applicable law, shall have priority over all other liens against the Lot. A First Mortgagee that obtains possession through a Mortgage foreclosure or deed of trust sale, or by taking a deed in lieu of foreclosure or sale, or a purchaser at a foreclosure sale, shall take the Lot free of any claims for the share of assessments by the Association chargeable to the Lot which became due before such possession, but will be liable for assessments that accrue after the taking of possession. Notwithstanding any of the foregoing, however, the Owner and the real estate contract purchaser shall continue to be personally liable for past due assessments as provided in Section 7.3. For purposes of this Section, "Mortgage" does not include a real estate contract and "Mortgagee" does not include the vendor or the assignee or designee of a vendor of a real estate contract.

Section 8.2 Lien May Be Foreclosed.

The lien for delinquent assessments may be foreclosed by suit by the Board, acting on behalf of the Association, in like manner as the foreclosure of a mortgage of real property. The Board, acting on behalf of the Association, shall have the power to bid in the Lot at the foreclosure sale, and to acquire and hold, lease, mortgage, and convey the same.

Section 8.3 Assessments are Personal Obligations.

In addition to constituting a lien on the Lot, all sums assessed by the Association chargeable to any Lot together with interest, late charges, costs and attorneys' fees in the event of delinquency, shall be the joint and several personal obligations of the Owner and any contract purchaser of the Lot when the assessment

is made and their grantees. Suit to recover personal judgment for any delinquent assessments shall be maintainable without foreclosing or waiving the liens securing them.

Section 8.4 Late Charges and Interest on Delinquent Assessments.

The Board may from time to time establish late charge and a rate of interest to be charged on assessments delinquent for a period of more than 10 days after the date when due. In the absence of another established, nonusurious rate, delinquent assessments shall bear interest at the rate of 12% per annum. If an installment on an assessment against a Lot is not paid when due, the Board may elect to declare the entire assessments against the Lot for the remainder of the fiscal year to be immediately due and payable.

Section 8.5 Remedies Cumulative.

The remedies provided herein are cumulative and the Board may pursue them, and any other remedies which may be available under law although not expressed herein, either concurrently or in any order.

Section 8.6 No Avoidance of Assessments.

No Owner may avoid or escape liability for assessments provided for herein by abandoning his or her Lot.

Article 9. Failure Of Board To Insist On Strict Performance No Waiver.

The failure of the Board in any instance to insist upon the strict compliance with this Declaration or rules and regulations of the Association, or to exercise any right contained in such documents, or to serve any notice or to institute any action, shall not be construed as a waiver or a relinquishment for the future of any term, covenant, condition, or restriction. The receipt by the Board of payment of any assessment from an Owner, with knowledge of any breach by the Owner, shall not be a waiver of the breach. No waiver by the Board of any requirement shall be effective unless expressed in writing and signed for the Board.

Article 10. Limitation Of Liability.

So long as a Director, or Association member; acting on behalf of the Board or the Association, has acted in good faith, without willful or intentional misconduct, upon the basis of such actual information as is then possessed by such Person, then no such Person shall be personally liable to any Owner, or to any other Person, including the Association, for any damage, loss, or prejudice suffered or claimed on account of any act, omission, error, or negligence of such Person; provided that this Article shall not apply to the extent the liability of such person for such act, omission, error, or negligence is covered by any insurance actually obtained by the Board.

Article 11. Indemnification.

Each Director shall be indemnified by the Association against all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed in connection with any proceeding to which such person may be party or in which such person may become involved, by reason of holding or having held such position, or any settlement thereof, whether or not such person holds such position at the time such expenses or liabilities are incurred, except to the extent such expenses and liabilities are covered by insurance actually obtained by the Board and except in such cases wherein such Director is adjudged guilty of willful misfeasance in

the performance of his or her duties; provided, that in the event of a settlement, the indemnification shall apply only when the Board approves such settlement and reimbursement as being for the best interests of the Association.

Article 12. Insurance.

At such times as the Board deems appropriate, the Board shall cause the Association to purchase and maintain as a common expense a policy or policies which the Board deems necessary or desirable to provide casualty insurance; comprehensive liability insurance; with such deductible provisions as the Board deems advisable; insurance, if available, for the protection of the Association's Directors, and representatives from personal liability in the management of the Association's affairs; and such other insurance as the Board deems advisable. The Board shall review the adequacy of the Association's insurance coverage at least annually.

Article 13. Amendments Of Declaration.

After the Transition Date, any Lot Owner may propose amendments to this Declaration to the Board. A majority of the members of the Board may cause a proposed amendment to be submitted to the members of the Association for their consideration. If an amendment is proposed by Owners of 20% or more of the Lots, then, irrespective of whether the Board concurs in the proposed amendment, it Shall be submitted to the members of the Association for their consideration at their next regular or special meeting for which timely notice may be given. Notice of a meeting at which an amendment is to be considered shall include the text of the proposed amendment, Amendments may be adopted at a meeting of the Association or by written consent of the requisite number of Persons entitled to vote, after notice has been given to all Persons entitled to receive notice of a meeting of the Association. The unanimous consent of all Owners shall be required for adoption of an amendment changing the voting power or portion of assessments appurtenant to each Lot. All other amendments shall be adopted if approved by at least 67% of all Lot Owners. Once an amendment has been adopted by the Association, the amendment will become effective when a certificate of the amendment, executed by a member of the Board, has been recorded in the real property Records of King County, Washington.

Article 14. Annexation And Subdivision.

Residential property other than common areas may be annexed or added to the Property only with the consent of 67% of the Lot Owners. No Lot shall be subdivided or combined without the approval of all Lot Owners.

Article 15. Duration.

The covenants, conditions, and restrictions of this Declaration shall run with and bind the Property and shall inure to the benefit of and be enforceable by the Owners, their respective legal representatives, heirs, successors, and assigns, for, a period of 15 years from the date this Declaration is recorded, after which the covenants, conditions and restrictions shall be automatically extended for successive periods of 10 years each unless an instrument signed by a majority of the then Owners has been recorded agreeing to terminate the covenants, conditions and restrictions.

Article 16. Severability.

The provisions of this Declaration shall independent and severable, and the unenforceability of any one provision shall not affect the enforceability of any other provision if the remainder affects the common plan.
